"I Am with You"

Genesis 28

Introduction

A. "The Book of Genesis is probably the most important book ever written. The Bible as a whole would surely be considered (even by those who don't believe in its inspiration) as the book that has exerted the greatest influence on history of any book ever produced. The Bible, however, is actually a compilation of many books, and the Book of Genesis is the foundation of all of them. If the Bible were somehow expurgated of the Book of Genesis, the rest of the Bible would be incomprehensible. It would be like a building without a ground floor or a bridge with no support." (Henry Morris)

B. Big Idea: For his glory, God created the world to be inhabited by people who would love him and be loved by him.
