"Nehemiah: Lesson in Leadership"

1. Nehemiah responded to his calling
2. Nehemiah was passionate about his calling
- Kathy Koch, *Screens and Teens*: "God created every single person with the deep core needs of security, identity, belonging, purpose, and competence. [...] There have always been problems when people try to meet these five core needs in unhealthy or counterfeit ways. I began to see that teens were turning to technology and the digital culture to meet their deep core needs - and technology is a definite counterfeit that doesn't work to meet those needs."
3. Nehemiah prayed fervently
4. Nehemiah knew his shortcomings
5. Nehemiah knew the Word of God
6. Nehemiah motivated and guided his people
